- ❖ INFORMATION TO PARENTS
- ❖ YEAR 11 MOCK 2 EXAMS
- ❖ CLASSES ON-GOING

Life at Junior High Campus

Education ~ Fun ~ Leadership ~ Responsibility

HEAD'S MESSAGE

Dear Parents/Caregivers,

As we come to the end of week 3, we are pleased to inform you that the Year 11 Mock 2 examinations started on a smooth platform. We are happy that Year 11 parents provided all the resources needed to undertake this examination and we sincerely thank you for this.

We are also delighted to inform you that our prefects' selection and interview process is on-going and we expect it to be completed by next week. By look of things, we expect to have a very strong student leadership team.

I am further pleased to inform you that the frequency of lesson attendance for all year groups has progressed smoothly with all COVID-19 protocols and guidelines being fully observed.

In line with the Ministry of Education directives, we would like to urge you not to send your child to school if he/she develops any symptoms related to COVID-19. Further, if any member of the family has contracted COVID-19 and has direct contact with a student, we urge you not to send the child to school until a full quarantine period is over and a COVID-19 test is done.

Lastly, I would like to thank you for the continued support and the trust you have bestowed upon us and promise you that we shall endeavour to keep your children safe and healthy.

Stay safe and God bless you all.

Mrs. Kekul Patel
Head of School – Junior High

Information to parents

Covid-19 PROTOCOLS UPDATE

We would like to thank you for sensitizing your children about Covid-19 protocols. Indeed all our children are adhering to these health and safety guidelines and we are all very proud of it. We urge you to continue emphasizing to them about the importance of these guidelines and protocols. Please do not get exhausted to do so!! Further, if you have two siblings in school, kindly pack lunch and break for each of them to avoid sharing. Sharing of meals in school is highly discouraged.
