## JUNIOR HIGH

"COMPASS FOR LIFE SKILLS"

TERM 3 WEEK 1 NEWSLETTER  
2021

### HEAD'S MESSAGE

Dear Parents/Guardians,

It is my sincere wish that you are all in good health and keeping safe. I would like to take this opportunity to warmly welcome the students to the final term of the Academic Year 2020\2021.

Looking back in the last two terms, I must say that in the shadow of Covid-19 pandemic, the Junior High Community projected its true teamwork that enabled teaching and learning to thrive. It is through this teamwork that we were able to conduct successful online classes and examinations as well enable us prepare our Year 11 candidate class for the final Cambridge IGCSE examinations which have started.

I would particularly like to thank the teachers, parents and all support staff for their immense contribution which made seamless teaching and learning to take place.

As we soldier on in our last term of this Academic Year and in the shadow of Covid-19 pandemic, I wish that all the cooperation extended to the school by the Junior High Community will continue so that we will be able to actualize the dreams of our students and especially for our Year 11 candidates.

God Bless You All

Regards

Mrs. Kekul Patel – Junior High Head of School

### START OF FINAL IGCSE EXAMS

Cambridge final IGCSE examinations started with ICT practical examinations this week. The examinations went on very smoothly and the students were particularly grateful for the brand new fast and efficient computers that were purchased for students' use.

As the examinations continue in the coming weeks, we would like to pass the following information to candidates.

- All candidates must laminate their Examination Statement of Entry and bring it along for every examination session. Candidates without the Statement of Entry will not be allowed in the examination venue.
- All candidates must be in full school uniform.
- Mobile phones, smart/digital watches or any other digital devices are not allowed in the exam venue except for approved calculators.
- Candidates must wait in the tent allocated when they arrive for exams. Loitering will not be allowed.
