## JUNIOR HIGH

*"COMPASS FOR LIFE SKILLS"*

**TERM 3 WEEK 2 NEWSLETTER  
2021**

### HEAD'S MESSAGE

Dear Parents/Guardians,

We have come to the end of the second week of term three. From the teachers, students have settled very impressively and are embracing online teaching and learning plausibly. As we move on in the term, I would like to let you know the following information:

1. The assessment mode for this term will include a midterm test for years 7 to 10 and an End of Term examination. As usual, we take attendance very seriously and it will contribute 10% towards End of Term 3 final mark and grade. Midterm tests will contribute 20% while End of Term 3 Exams will contribute 70%.
2. The very important exercise of subject selection talk for Year 9 will be held on the 12<sup>th</sup> May 2021. They will be taken through by SLT team, Heads of department and subject specialist teachers for new subjects in Key Stage 4.
3. Parents are once more reminded to urgently forward updated E-mail addresses to school in order to receive school communications. We have noted that a good number of parents are not receiving school communications due to the school using an E-mail no longer in service. Kindly forward one dedicated E-mail address where all school mails will be forwarded.

God Bless You All

Regards

Mrs. Kekul Patel – Junior High Head of School

### FINAL IGCSE EXAMS ONGOING

Cambridge final IGCSE examinations continue in earnest. Year 11 parents are advised to study the timetable carefully so that students don't miss out on any exam paper. Further, Year 11 students are requested to study the IGCSE timetable for any clashes especially now that they will be starting to take more than two exam papers in a day.

#### To Year 9 parents....

As we prepare to take your children through the subject-selection for IGCSE starting in year 10, we would like you to start (if you haven't done so) a serious conversation about your child's future ambitions concerning career(s). This is because the subjects chosen for IGCSE will impact heavily on subject selection at A level for your child's career choice in University/College. Parents will also be taken through the subject selection forum on Saturday 15<sup>th</sup> May 2021. This will be online via Microsoft Teams account.
