JUNIOR HIGH

"COMPASS FOR LIFE SKILLS"

TERM 3 WEEK 3 NEWSLETTER
2021

HEAD'S MESSAGE

Dear Parents/Guardians,

We have come to the end of the third week of term three. As we communicated, next week we reopen the school for physical classes. We are very excited to meet the students physically after a long absence. We are hopeful that our planning will enable students learn in a safe environment. We have put in place measures and procedures that are in line with Covid-19 protocols. A detailed reopening guideline was sent to your email addresses on Thursday 4th May 2021. Kindly take time to read the guidelines and advise your child accordingly. As a school, we would like to assure you of our commitment in safeguarding the health of our learners and that we shall observe and keep track of all activities in the school to make sure that the activities are consistent with our valued intentions.

We also urge parents to play a bigger role in educating their children about the risks of irresponsible behavior during the Covid-19 pandemic and urge their children to minimize unwarranted contacts with other people and friends through visiting and outings.

Closely related to Covid-19, we urge all parents to provide an extra face mask, hand sanitizer and to pack food in separate lunch tins if you have more than one sibling.

We would like thank you for your continued support.

God Bless You All

Regards,

Mrs. Kekul Patel – Junior High Head of School

IMPORTANT INFORMATION

As we prepare to reopen physically next week. Kindly note the following:

- The reporting times for all year groups were outlined in the reopening guideline sent to you. Kindly conform to those timing for a smooth entry and exit procedure.
- Vehicles will be allowed into the school compound at 3:00pm to pick up students.
- Boarding students will walk to Oshwal Park where they are currently being accommodated.
- To safeguard our learners, we shall minimize visits to school. Parents wishing to visit the school should book an appointment with the Head of School via official school email.
- Parents whose children are attending Math's booster lessons are urged to emphasize to their children the importance of these lessons. Attendance will be thoroughly monitored and action will be taken against those who are not attending.
