## YEAR 10 FRENCH STUDENTS VISIT TO ALLIANCE FRANÇAISE

On Thursday 15th June 2023, the year 10 MFL students visited Alliance Française De Nairobi. On arrival, the students took a familiarization tour around the institution and saw the audio visuals, Le Grammaire, Médiathèque and Campus France. The students were then introduced to various activities such as Game of Finding Animals, Objects and Verbs Alphabetically; descriptions of a things, people and objects with the rest having to guess the correct names based on the descriptions. Lastly, the students watched a French movie La Monstre de Paris with English sub-tittles.

This experience was very beneficial to the students who enjoyed and participated actively during the entire session. The hosts were impressed by the students conduct for the entire duration of the visit. They were encouraged to take up the International French Examination DELF Junior which consists of A1,A2,B1,B2 levels and are offered at the institution.

Year 10 French students read French publications at Alliance Française during an academic tour.

# YEAR 9 GERMAN STUDENTS VISIT TO GOETHE INSTITUTE

Year 10 students studying German visited The Goethe Institute on Thursday 15th June. They were warmly received by the Librarian and the Program coordinator who took them for a tour of the entire Institute.

They then assembled at the Library where they were informed about the courses offered at the institute. They were also shown all kinds of books available in the library which they can also access, over the holidays. They also engaged in fun grammar activities of their Level (A1-A2), fun facts about Germany. T-shirts and sweets were awarded to winners of various activities.

A section of the students engage in a game aimed at honing their German grammar competence

The program coordinator at the Goethe Institute takes our German students through the day's program soon after arrival at the institute.

# KAISSO U13 GIRLS NETBALL TOURNAMENT AT OSHWAL CENTER

## KAISSO U13 Girls Netball Tournament

We had the honour to host the first KAISSO U13 girls Netball tournament after the COVID19 break. We had 15 teams taking part in the tournament that was organized and run by our Physical Education department. It was a highly competitive and fascinating tournament to watch. Oshwal fielded two teams where the A team played to the knockout stage and unfortunately lost by one-point to Greensteads International School.

## FROM THE SPORTS CORNER

### KAISSO U13 Boys Tournament

Our U13 Boys Rugby team played at the KAISSO tournament hosted at Brookhouse International School - Runda. Our boys braved the tough competition at the tournament, and we are assured that Rugby has become an integral part out of sports culture.

### High commission of India Cricket Tournament

Our boys had a great opportunity to enjoy a Cricket tournament organized by the Indian commission to mark 75 years while we fielded two teams to give more students an opportunity to participate. Despite not being our Cricket season, our boys stood to be counted, put a spirited fit which shows the level of resilience and courage in our students.

## NEW ACADEMIC YEAR

We look forward to another exciting Academic Year full of sporting activities and competition. As a school, we will continue to provide a variety of sports activities to ensure all students get a wide variety of sports to engage during the term, Girls Cricket will be one of the additions with matches and tournaments already lined up for our girls. We will also engage in more racket games including hosting two racket sports tournaments next term.

We appreciate your unwavering support throughout the year and we look forward to more engagement next academic year.

# INCLUSIVE EDUCATION DEPARTMENT MEAL PREPARATION LESSON

Inclusive Education Department students do carryout practical lessons in the areas of hospitality(meal preparation and baking). The students who will be undergoing moderation prepared cupcakes and birthday cake in their baking module. These practical lessons are geared towards independence of our students when it comes to meals preparation.
