STUDENT ACHIEVEMENT

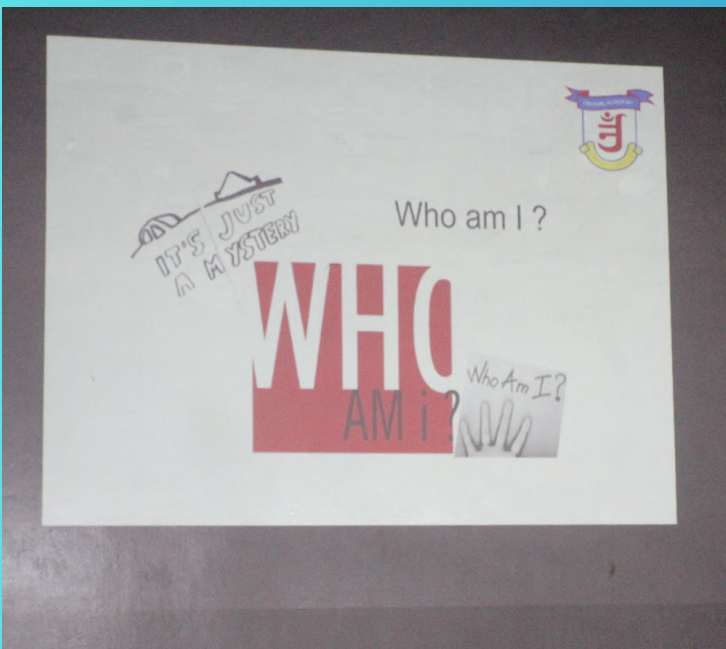

For the first time since the inception of Oshwal Academy Nairobi – Junior High, four of our students took part in the Goethe Institute FIT examinations. The four, Diya Patel, Zoya Shafi, Bhuvi Patel and Ronak Ghedia all scored 90% for A2, and 90%, 86%, 85% and 70% respectively for A1. This performance was exceptional since the pass mark is usually 60%. As a school, we look forward to having more students register for this examination in future. The next examination comes up in November and so we urge you to encourage your sons and daughters to begin enrolling as early as now.
