HINDI INTERNATIONAL EXAM RESULTS

Hindi is an expressive and colourful language that is a valuable part of the Indian heritage. Modern Standard Hindi, commonly referred to as Hindi, is an Indo-Aryan language spoken chiefly in North India, and serves as the lingua franca (a language that connects Indians who speak different native languages) of the Hindi Belt region encompassing parts of northern, central, eastern, and western India.

At Oshwal Academy Nairobi Junior High, our students sit for the October/November series of IGCSE HINDI examinations. Our current year 11 students who sat for their examinations last November, received their results with much celebration as our top students scored A* and A'S.

STUDENT ACHIEVEMENT

Aum Anand Chandarana Year 8G and Ayaan Sean Quadros Year 7G represented our country Kenya at the prestigious International Tennis Federation East African Junior Team Zonal Championships under 14 category that was held in Burundi Bujumbura as from 5th till 15th January 2024. Team Kenya emerged second position in the just concluded Zonal Championships.

ANNUAL MATHEMATICS QUIZ

Oshwal Academy Nairobi Junior High through the Mathematics Department organised an inter-house competition. The house nominees and volunteers sat for a 25 mark test which was used to select the house representatives for the actual event. In each house there were 4 participants and a substitute. The quiz had four different rounds: each round with different rules. Round 1 had no pen and paper but for Round 2 and 4, participants were allowed to use pen and paper. Round 3 was an individual round. Each participant had a set of 6 mental Math questions to answer in 60 seconds. Apparently, this was the most interesting round. As we are aware, Cambridge has introduced a non -calculator paper as part of the I.G.C.S.E exam therefore Mental Math is an important part of learning. This was a significant milestone in the development of our students' Mathematics skills.
