While Year 10 students commenced their midterm exams on 16<sup>th</sup> May 2025. We wish our students the best in their examinations and urge you, the parents/guardians and caretakers, to give them all the necessary support during this period.

# YEAR 9 PARENTS SUBJECT SELECTION FORUM

The Year 9 Parents Subject Selection Forum was held in the school auditorium to support students and their families as they navigate the subject choices for Year 10. The forum aimed to provide valuable guidance on academic pathways, subject options, and the decision-making process. A special highlight of the forum was the chance of having the Academic Consultant, Mrs. Chotai, in attendance. Her presence added significant value, as she offered expert insights into curriculum planning, future study options, and aligning subject choices with students' interests and career goals. The event featured presentations from faculty members, followed by a Q&A session, ensuring parents and students left well informed and confident about the journey ahead.
