FROM THE PASTORAL **COORDINATOR'S DESK**

Celebrating Achievements and Good Character of our Students.

Dear Parents, Guardians, and Students,

This week, we take a moment to celebrate not only the remarkable achievements of our students at **Oshwal Academy Nairobi – Junior High** but also the outstanding qualities of **leadership, kindness, and integrity** that they consistently demonstrate. At the heart of our school community lies a commitment to nurturing well-rounded individuals who excel academically and uphold the values that build a positive and respectful environment for all.

Our students who have achieved academic success, excelled in arts, sports, or community service, exemplify the fruits of dedication and perseverance. These accomplishments inspire us all to pursue excellence and remind us of the rewards that come from hard work and commitment.

Equally important are the students who show **exemplary character** through acts of **kindness, leadership, and integrity**. Whether it's **helping a classmate in need, standing up for what is right, or leading by example during group activities**, these students embody the values we cherish. Their positive influence fosters a school culture grounded in **respect, empathy, and honesty**.

FROM THE PASTORAL COORDINATOR'S DESK

Let us celebrate these

students not only for their achievements but also for their character. Their actions remind us that success is most meaningful when accompanied by **integrity** and **compassion**. We encourage all students

to follow their example, striving for excellence while remaining true to their values.

To our students: Keep shining brightly, both in your accomplishments and in your character. To our parents and guardians: Thank you for your ongoing support in nurturing these admirable qualities at home and in the community.

Together, let us continue to foster a school environment where achievements are celebrated, and good character is the foundation of all we do.

With warm regards,

Pastoral Coordinator.

SWEET SUCCESS – INCLUSIVE EDUCATION DEPARTMENT STUDENTS BAKE THEIR WAY TO DELIGHT

Our talented students recently rolled up their sleeves and baked a delicious chocolate cake from scratch. Everyone played their part from mixing and measuring to layering and serving—proving that teamwork truly makes the dream (and desserts!) come true. **THE RESULT**—A rich, mouthwatering masterpiece that filled the room with smiles and the sweet scent of success.

FROM SPORTS CORNER

The Sports Department has been a beehive of activities with numerous opportunities for our students to engage in various inter-school sports competitions. Our teams have showcased great talent, determination, and teamwork across different disciplines, earning commendable results and valuable experience. From football and netball to athletics and swimming, each event has provided a platform for students to grow their skills and sportsmanship. The enthusiasm and commitment shown by both players and coaches have been truly inspiring. These engagements not only strengthen our competitive spirit but also foster unity, discipline, and resilience among our students.

Another Win for Team Oshwal! Our U15 badminton team has been crowned KAISSO Badminton Champions after an outstanding performance against top competitors — the host Premier Academy, Nairobi International, Brookhouse Runda, and Brookhouse Karen. The players' hard work and teamwork paid off as they proudly brought home the championship shield and gold badges.

The U15 boys cricket team are the new KAISSO U15 boys cricket champions. Aryan Benawra was awarded the KAISSO U15 boys cricket MVP.

Our U13 Girls Team A proudly clinched silver medals, while Team B secured bronze in the recently concluded IPSSA Tournament.

Our students performed well in the Badminton tournament held at Oshwal Primary clinching top positions in both singles and doubles.

The Ant and the Grasshopper

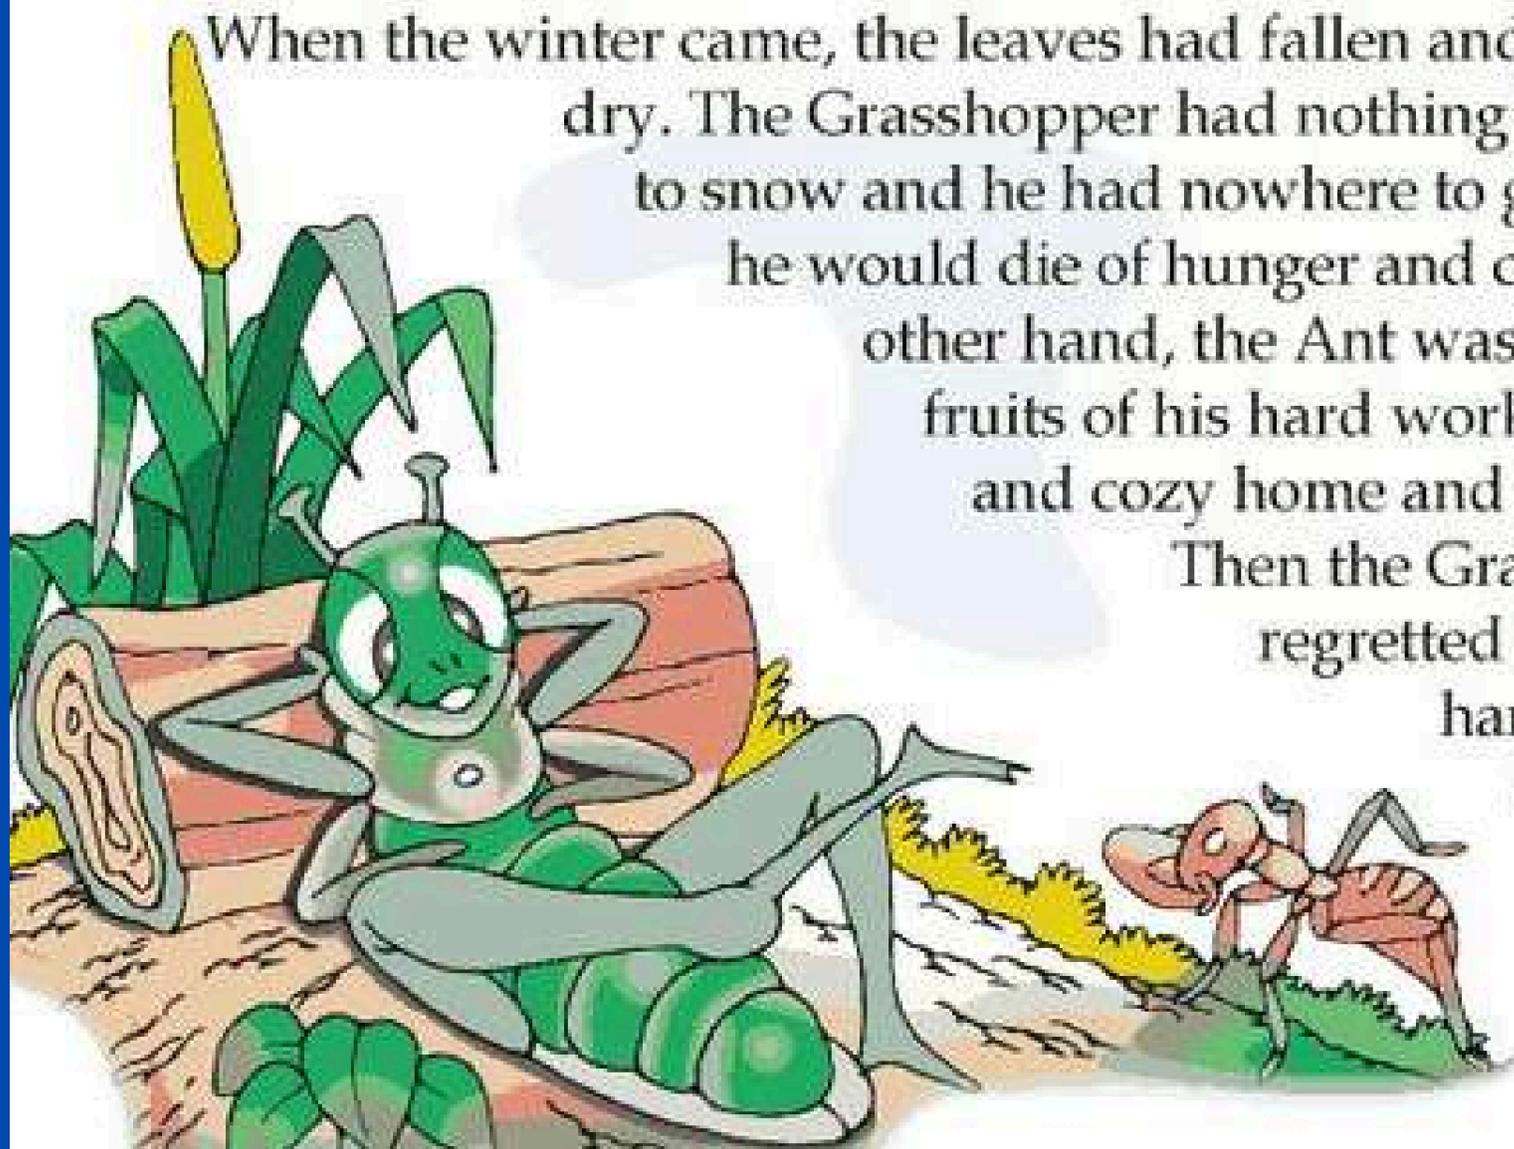

One summer afternoon a Grasshopper was hopping about in a field. He was singing merrily and enjoying the day. On his way, he met an Ant who was struggling to take a grain of corn to his nest.

The Grasshopper was a lazy fellow. He thought he had nothing to do. So, when he saw the Ant, he said, "Why don't you come and chat with me instead of toiling so hard? We will have a great time!"

"I am trying to collect and store food for the winter. I can't waste time being idle. I think you should start saving food for winter too," said the Ant.

The Grasshopper yawned and said, "Winter is too far away. There is plenty of time. Why worry about it today when I have more than enough to eat!" But the Ant went on his way and continued to work hard. Days passed, then months. The Grasshopper enjoyed himself and the Ant collected enough food for the winter.

When the winter came, the leaves had fallen and the grass was dry. The Grasshopper had nothing to eat. It started to snow and he had nowhere to go. He thought he would die of hunger and cold. On the other hand, the Ant was enjoying the fruits of his hard work. He had a nice and cozy home and plenty to eat. Then the Grasshopper regretted not working hard when he should have.
